January 2019

Dear Families,

Happy New Year!

We have made a few changes I would like to share with you.

- We have moved to horizontal tutoring, all students will be in tutor groups with students in the same academic year and each year group has a Head of Progress.
- We have zoned areas across the school to be either eating, play (drinks permitted) or red zones (movement zones, no eating or drinking). This is for health and safety reasons and I can assure you, there are plenty of indoor eating areas for your child.
- If students fail to attend a lunch detention, they will need to attend an after school detention with myself. If they fail to attend this, they will spend a day in isolation.

### Communication

Should you wish to speak to a member of staff, please phone the academy and leave a message or, if possible, send an email. Please note, members of staff will respond at their earliest convenience; your queries will be responded to usually, within 24 hours
