

Pupil Premium Strategy

Document template to outline use and expected impact of the funding for 2020-2021

E-ACT requires all academies to publish their Pupil Premium Strategy on their own academy webpage.

The academy's Pupil Premium Strategy must set out the following:

- the amount of pupil premium money
- the main barriers to educational achievement faced by the eligible pupils
- how the allocation is to be spent to address those barriers and the reasons for that approach
- how the school is to measure the impact and effect of its expenditure of the pupil premium allocation, and
- the date of the academies' next review of the strategy.

E-ACT's Pupil Premium Strategy: template for 2020-2021

1) Barriers to educational achievement

Please explain below the precise barriers to learning. This may or example include: spelling ages, reading ages, those below -9 months reading age, those 12 month below their chronological age, no place for children to work at home or lack of time if they are carers at home, those pupils who are pupil premium who are most able but who are only attaining at expected levels rather than greater depth, barriers related to attendance and persistent absence.
