23rd November 2020

Dear Parent / carer,

Firstly, thank you very much for all your support this term so far, especially in these difficult circumstances we are all experiencing. It is greatly appreciated.

As we approach Christmas, no doubt a number of our students will be wanting to write and exchange Christmas cards with their peers or even members of staff here in the Academy. Due to the current Covid-19 situation and the guidelines we must adhere to, we as an Academy will not be supporting and/or encouraging any of our students and staff to write and exchange the usual Christmas cards. Each student and member of staff has an Academy email account which is safe and traceable, therefore any Christmas cards or messages can be exchanged via that platform only.

I am sure you understand that these are difficult times and we must always ensure the safety of our students and staff at all times, adhering to the measures in place that are designed to reduce the risk of the virus from spreading.

I would also like to stress that the use of face coverings in school is now mandatory in our corridors and canteen areas, where social distancing is difficult. As a parent/guardian can you please ensure that your child comes to school every day with a plain face covering.

Thank you once again for your support in driving standards forward and keeping everyone as safe as possible.

Yours sincerely

Simon Line

Assistant Headteacher
