Admissions Arrangements 2022 - 2023

Reviewed February 2021

1. Introduction

This policy is based on the following advice from the Department for Education (DfE):

- School Admissions Code (2014)
- School Admissions Appeals Code (2012)
- School Standards and Framework Act 1998 as amended

As an academy, the school is required by its funding agreement to comply with these codes, and with the law relating to admissions as set out in the School Standards and Framework Act 1998 and associated legislation.

This policy complies with the Academy's funding agreement and articles of association.

E-ACT is the Admissions Body for The Parker E-ACT Academy ('the Academy').

2. Admission numbers

The Academy accepts pupils from Years 7 to 13. The PAN (Published or Planned Admission Number) is 210 per year group for Years 7 - 11 and 65 per year group in Years 12 and 13.

For admissions into Year 7, the Academy follows the application process and timelines set out by West Northamptonshire Council. Where eligible applications for admission exceed the number of places available, the oversubscription criteria listed below will be applied in the order set out below to decide which pupil, who meets the required criterion, to admit. Children who have an Educational Health and Care Plan naming the Academy will be admitted prior to offers made via co-ordination. These children will be included in the school's PAN.

The oversubscription criteria are also used for in-year admissions for each year group when pupils are on the waiting list. Secondary transfer applications received after the deadline of 31 October will be processed after National Offer Day. Late applications will be processed in accordance with West Northamptonshire Council admissions timescales.

3. Oversubscription Criteria

Once places have been allocated to children with an Educational and Health Care Plan, if there are more applicants than places as set out in the stated PAN, then the following oversubscription criteria for admissions will be used, in the following order:

Criterion 1: A 'looked after child' or a child who was previously 'looked after' but immediately after being 'looked after', became the subject of an adoption, residence order or special guardianship order (as defined in the Notes attached).

Criterion 2: Exceptional and Compelling Medical, Psychological, Social or Special Access Reasons (the definition of which and process to be followed is set out in the Notes attached) which can only be met at the Academy. Please note that a Supplementary Information Form (SIF) must be completed for an application under this criterion within the timescales for the point of entry required.

Criterion 3: Siblings (as defined in the Notes attached) of pupils currently on the roll at the Academy at the time of application for the proposed admission of the applicant.

Criterion 4: Children who at the time of the application are eligible for the Pupil Premium or the Service Pupil Premium (each defined in the attached Notes). Please note that a SIF form must be completed for an application under this criterion within the timescales for the point of entry required.

Criterion 5: Children whose parent/carer (as defined in the Notes below) is a member of staff who has either been continuously employed at the Trust for two (2) or more years at the time of application for a place or has been recruited to fill a vacancy for which there is a demonstrable skill shortage or has been re-located to the area at the request of the Trust. Please note that a SIF form must be completed for an application under this criterion within the timescales for the point of entry required.

Criterion 6: Any other applications of which priority of placement will be given to children who live nearest to the Academy (including if this address is with a parent/carer with shared responsibility for the child or not). The child's home address will be the child's permanent place of residency and must not be a business address, or the address of a relative or carer, unless they have legal custody of the child. Applications must only be made from a single address.

Tiebreaker

Once the above rules have been applied, and if there were to be a tie within any of the above rules, then any further places will be offered in distance order - Home to school distances will be measured in a direct line from a point on the home address as held by West Northamptonshire Council, defined in the Local Land and Property Gazetteer, (or similar property database) to a central point within the main Academy building using West Northamptonshire Council's computerised mapping system.

Where two or more applicants have a home address at the same distance from Academy and it is necessary to decide which child will be admitted, random allocation will be used. The random allocation process will be independently supervised.

Multiple Births

For application into any year group, in the case where there is one place left and the next pupil due to be admitted is one of a twin, triplet or other multiple birth group, both twins may be admitted, or all pupils in the case of multiple births, even if this goes above the published admission number for the Academy.

Waiting List

If any vacancies arise between National Offer Day, 1 March and 31 December of the same year for year 7, priority will be given to those on the waiting list managed by West Northamptonshire Council.

From 1 September to 31 August the waiting list for admissions into all other year groups of current school age children will be maintained by West Northamptonshire Council or the Academy.

If places become available during this period, or for the beginning of the following academic year, admissions will be handled in accordance with the In-Year Procedure outlined below.

Any places will be allocated from the waiting list using the oversubscription criteria set out above and not by the date that a child joined the waiting list. If parents decline an offer of a place, they may subsequently re-join the waiting list. The child's name will be added onto the end of the waiting list as extant at the time the request to re-join is made.

Each child added to the waiting list will require the overall waiting list for the Academy to be ranked again in line with the oversubscription criteria. Priority will not be given to children based on the date their application was received or their name was added to the list.

Looked after children, previously looked after children, and those allocated a place at the school in accordance with the Fair Access Protocol, will take precedence over those on a waiting list.

The Academy's waiting lists are only maintained for a term, so one will need to apply again for the next term.

4. In-Year Admission Arrangements - Making an in-year application

Please refer to the Academy's website on how to make an application for an in-year place for your child. This will either be via West Northamptonshire Council or directly to the Academy. In year admissions will be handled in accordance with the Academy's In-Year Procedure on the website.

Where a vacancy is created through a planned move by parents to coincide with the start of an Academy term/half-term, the Academy will make an offer to the first child on the waiting list as soon as written notice of intention to remove the child from the Academy has been received from the parents. (If there is a change of circumstance for the pupil on roll at the

Academy, e.g., the family wish to continue to educate their child at the Academy, then this will be reviewed at the Trust's discretion, appreciating that this may mean going above the PAN). The offer will be made for the child to be placed on roll at the start of the following term / half-term or sooner.

In all other circumstances where a place becomes vacant, for example, permanent exclusion, a place will be offered to the child in the first position on the waiting list, as soon as the pupil currently holding the place has been removed from the Academy's roll. Such formal removal will only take place after all appropriate procedures have been completed.

5. Admission outside the normal age group

On very rare occasions, you may feel it is in your child's best interests for them to be admitted to school outside of their normal age group.

For example, you may feel it is better for your child to start in year 7 when other children their age are starting in Year 8. This may perhaps be due to your child's:

- ill health; or
- premature birth

You can apply for your child to start school outside of their normal age group, but you cannot insist that your child is admitted to a particular age group.

Any applications you make will be reviewed by the Academy. The Academy and the Trust will look at the:

- circumstances of your case
- best interests of your child; and
- views of the headteacher at the relevant Academy.

To apply for an admission outside of the normal age group for your child, you will need to apply within the admissions timescale to West Northamptonshire Council and send the Academy:

- a letter outlining the reason for the request
- any supporting evidence.

The Academy will make sure that you receive a response to your application before the National Offer day – the date when parents are told which school their children will be going to as long as the letter and supporting evidence is received within in the timescales for applying for a place with West Northamptonshire Council - 31 October the year before the entry year the application is being made for.

You should still apply for a school place for your child's normal age group at the usual time: you can withdraw your application later if you need to.

If your application for a place outside of your child's normal age group is approved, you must apply for a place as part of the usual process and timescales for that age group.

If your application is refused, you must decide whether to:

- accept the offer of a place for your child’s normal age group when the offer is made
- refuse the offer of a place and instead make an in-year application for admission to the expected year group.

The application under this criterion must be made at the same time as applying to West Northamptonshire Council for a place at the Academy within the usual admission timescales. An application does not guarantee a place for the child at the Academy and the application will be considered in the new cohort. Where the Academy agrees to a request in principle, they will write to the parents confirming their agreement. A request for admission outside the normal age group is not an application for admission, and parents will need to submit a separate application in the usual way at the appropriate time.

All applications

Where a request for admission to a different year group has been agreed in principle, the letter from the Academy confirming the decision to the applicant, must be submitted to the West Northamptonshire Council with the application for admission.

6. Appeals Process

If your child has been refused a place at the Academy you have the right of appeal to an Independent Appeal Panel (IAP), which is managed by West Northamptonshire Council on behalf of the Academy. Where admission is refused, the reasons for the decision together with details on how to appeal will be sent to you by West Northamptonshire Council.

For the avoidance of doubt the sixth form appeal are managed by the Academy.

Please see West Northamptonshire Council’s website for further information and timelines.

As per the School Admissions Code the Academy will publish the appeals timetable on the Academy website by 28 February 2023.

7. Sixth Form Admissions

All E-ACT Year 11 students who meet the minimum entry requirements, are eligible to apply to progress to Year 12. Places are initially offered to internal and eligible Year 11 students and then to external applicants who meet the minimum entry requirements.

Our PAN in sixth form is 65 in each of Year 12 and Year 13, providing a total of 130 places in the sixth form. This number may be exceeded when places in subjects are still available.

All internal applicants will be admitted for the agreed courses if they meet our minimum entry requirements and course places remain available. If there are more applicants than places, then places will be allocated according to the oversubscription criteria.

Sixth Form Application Procedure

Applications from students will close by the second Friday in December each year and students should use the relevant application form available on the website.

Minimum entry requirements, which are the same for both internal and external applicants are detailed below.

On application, prospective students will be invited in for an informal meeting as an opportunity to ask questions, have a tour of the Academy and find out more about the options. This does not form part of the decision to offer a place.

Sixth Form Entry Requirements

Entry requirements are the same for internal and external students and must meet the minimum of 3 GCSE grades at 5 and 2 GCSE grades at 4 or their equivalent. Some subjects require higher entry criteria so in order to be admitted onto an A level course in those subjects then a 6 must be achieved in that subject at GCSE. A student needs to meet the subject specific entry requirements as detailed in the Sixth Form Prospectus for the year of entry.

A student may be considered for exceptional entry depending on individual circumstances. An interview with the Head of Sixth Form may be required for these students.

The Academy will determine the number of subjects and qualifications a student should be taking; the Trust will be the final arbiter.

Subjects Studied

A student who has qualified for admission will, in most cases, be able to study the subjects for which he/she is qualified, but this is dependent on the following:

- the course(s) required is / are on offer
- group sizes are viable. If a subject or course does not attract sufficient applicants either at AS, A2 or BTEC Level, it may not run; and
- there are enough places in the classes provided for each subject. The Academy reserves the right to refuse admission to subjects when planned classes are full.

Sixth Form Appeals

The formal enrolment for Sixth Form courses begins on the day the GCSE results are released.

Where the offer of a place would have been conditional upon exam results, appeals will be heard within thirty (30) school days of confirmation of those results.

Where the offer of a place would not have been conditional upon exam/assessment results, appeals will be heard within thirty (30) days of confirmation of those results.

For applications for in-year admission, appeals will be heard within thirty (30) school days of the appeal being lodged.

Extenuating circumstances

In exceptional circumstances (for example prolonged illness, difficult family circumstances) which have caused a student to underachieve at GCSE (or equivalent), the Academy may consider an offer to enter the Sixth Form on a trial basis. In such cases, an offer to be made will be based on:

- o An assessment of the individual's circumstances (this is likely to involve an interview)
- o Medical evidence, in the case of prolonged illness
- o The availability of places on the chosen courses
- o Suitability of candidate for chosen courses

In these cases, offers will be made on a trial basis, to be reviewed by the final teaching day in September. At the end of the trial period a decision will be made on whether the Academy is satisfied that the student is enrolled on suitable courses.

8. Policy Review

These Admissions Arrangements are reviewed and determined every year by E-ACT and is subject to consultation every seven (7) years or whenever changes are proposed.

9. Fair Access Protocol

The Academy complies with West Northamptonshire Council's Fair Access Protocol to ensure that outside the normal admissions round that unplaced children, especially the most vulnerable, are found and offered a place quickly, so that the amount of time any child is out of school is kept to a minimum.

Explanation of terms relating to all Categories of Admission

Note 1 - Definition of Looked after children and previously looked after children

For admissions purposes a 'looked after child' is a child who is in the care of a local authority in England, or is being provided with accommodation by a local authority in England in the exercise of their social services functions (see the definition in Section 22 (1) of the Children Act 1989). This covers accommodated children and those who are in care under a Care Order/interim order. This can include living with family or friends, in foster care, a children's home, residential school, special school or in supported lodgings. This rule includes children who were previously looked after and immediately after being looked after became the subject of an adoption, child arrangement order or special guardianship order as set out below. For the avoidance of doubt, this includes children who may have been 'looked after' in other jurisdictions. To note, when assessing this, reasonable efforts to verify will be made but, for example, translations will not necessarily be required if it is reasonable to assume that a child was more likely than not to have been 'looked after' or 'previously looked after'.

Child arrangements order: is an order setting the arrangements to be made as to the person with whom the child is to live under the Children and Families Act 2014.

Special guardianship order: is an order appointing one or more individuals to be a child's special guardian (or special guardians) under Section 14A of the Children Act 1989.

Note 2 - Adopted Child

An adopted child is a child who was adopted under the Adoption Act 1976 or the Adoption and Children Act 2002 or its equivalent in other jurisdiction or where a child has been adopted outside of the United Kingdom then relevant official documentation may be required in respect of the adoption.

Note 3 - Sibling

A sibling is a brother or sister. For admission purposes this means one of two or more individuals who have one or more parent in common or any other child (including an adopted or fostered child) who lives at the same address and for whom the parent also has parental responsibility or, (in the case of a fostered child) delegated authority or those that are placed in the same home due to a court order, not just a foster placement. A pupil in a secondary school will only count to provide a priority to a sibling if he or she is attending the school in Year 7 - 10 at the time the application is made and is still expected to be on the school's roll at the time of the proposed admission (September).

Note 4 - Parent

The application form should be completed by a person who is the student's parent. This is as defined in law (the Education Act 1996) as either:

- Any person who has parental responsibility (defined in Children Act 1989) for the child or young person; or
- Any person who has care of the child or young person.

Note 5 - Normal Home Address

This is the child's home address. This must be where the parent or legal carer of the child live together unless it is proved that the child is resident elsewhere with someone who has legal care and control of the child. The address should be a residential property that can be permanently occupied 52 weeks of the year without any restrictions on occupation and not subjected to any planning or contractual restrictions on the duration of occupancy and is your child's only or main residence that is owned, leased or rented by the child's parent(s) or person with legal care and control of the child. If the residence is not split equally between the Parent(s)/Carer(s), then the relevant address used will be the address at which the Academy is satisfied that the child spends the majority of the school week. Where there is an equal split or there is any doubt about residence, the Academy will make a judgment about which address to use for the purposes of allocation. In making this judgment the Academy will take into account the following (this is not intended to be an exhaustive list but illustrative of the items which may be considered as suitable evidence):

- any legal documentation confirming residence e.g. GP registration for the child and family
- the pattern of the residence
- the period of time over which the current arrangement has been in place
- confirmation from the previous school of the contact details and home address provided to them by the parents

Where a school is oversubscribed, the Academy need to be satisfied that places are allocated lawfully, in accordance with the oversubscription criteria. The Academy expect to have some level of certainty about a family's intended new address, so that they can allocate a place lawfully.

The Academy endeavour to be flexible in what they will accept as confirmation of address, whilst ensuring that the statutory duties are met.

Note 6 – Supplementary Information Form (SIF)

Where the Academy accepts and approves the child has met the criterion, they will write to the parents confirming the decision. A request for admission under the criterion is not an application for admission, and parents will need to submit a separate application in the usual way at the appropriate time. Where a request under the SIF criterion has been approved, the letter from the Academy confirming this must be submitted to West Northamptonshire Council with the application for admission

Note 7 – Pupil Premium or the Service Pupil Premium

Pupil Premium

The Pupil Premium is additional funding provided to publicly-funded schools in England with the aim of raising the attainment of disadvantaged children.

Service Pupil Premium

Pupils attract Service Pupil Premium if they meet one of the following criteria:

- one of their parents is serving in the regular armed forces (including pupils with a parent who is on full commitment as part of the full time reserve service)
- they have been registered as a 'service child' on the January school census at any point since 2016; or
- one of their parents died whilst serving in the armed forces and the pupil receives a pension under the Armed Forces Compensation Scheme or the War Pensions Scheme

On publication of this document the current information for 2020 – 2021 including eligibility criteria can be located <https://www.gov.uk/government/publications/pupil-premium-allocations-and-conditions-of-grant-2020-to-2021/pupil-premium-conditions-of-grant-2020-to-2021>

Note 8 – UK forces personnel and crown servants

The School Admissions Code requires that for families of UK service personnel with a confirmed posting to their area or Crown servants returning from overseas to live in that area, admission authorities must allocate a school place in advance of their move, provided their application is accompanied by an official letter declaring a relocation date and unit address or quartering address.

Returning UK forces personnel and crown servants will be dealt with in line with the guidance under the Schools Admissions Code.

Where vacancies exist at the academy, places will be allocated to the family in advance of their move, even if they do not yet have a confirmed address.

Where a school is oversubscribed, they will need to be satisfied that places are allocated lawfully, in accordance with the oversubscription criteria. The Academy expect to have some level of certainty about a family's intended new address, so that they can allocate a place lawfully.

The Academy endeavour to be flexible in what they will accept as confirmation of address, whilst ensuring that statutory duties are met.

Note 9 - Exceptional and Compelling Medical, Psychological, Social or Special Access Reasons

Applications for Exceptional and Compelling Medical, Psychological, Social or Special Access Reasons will only be considered at the time of the initial application, unless there has been a significant and exceptional change of circumstances within the family since the initial application was submitted. All academies in E-ACT have experience in dealing with children with diverse social and medical needs. All applications must be made on a SIF form and submitted directly to the Academy whilst still applying for a place within the usual timescales for point of entry with West Northamptonshire Council or follow the in-year admissions process.

In a few very exceptional cases, there are reasons why a child has to go to one specific school. All applications are considered individually but a successful application should include the following:

- Specific recent professional evidence that justifies why only one school can meet a child's individual needs, and/or
- Professional evidence that outlines exceptional family circumstances making clear why only one school can meet the child's needs.

If the requested school is not the nearest school to the child's home address clear reasons why the nearest school is not appropriate.

For medical cases – a clear explanation of why the child's severity of illness or disability makes attendance at a specific school essential. Evidence should make clear why only one school is appropriate.

The medical circumstances must relate to the child, and parents will be expected to provide supporting evidence from a consultant who is monitoring the child's condition (ie. not solely a General Practitioner (GP) in relation to medical circumstances, or a social worker (or other appropriate professionally qualified person) in relation to social circumstances. All supporting evidence showing why education should be at the preferred school and must be submitted at the time of application, when applying for year 7 or 12 at the usual point of entry.

The Academy will consider all claimed Exceptional and Compelling Medical, Psychological, Social or Special Access needs circumstances in line with admissions criterion and inform parents of their decision.

An Exceptional and Compelling Medical, Psychological, Social or Special Access Reasons application will generally not be upheld in cases where more than one school could meet the child's need. In exceptional cases relating to a disability, where more than one school in the area can meet the child's specific needs, a clear and compelling case can be made for the "nearest" school with the relevant facilities, environment or location. You must clearly explain why attendance at the "nearest" school with these facilities is essential.

Evidence relating to the medical or social circumstances of the parent can be considered, but only if this impacts on the child and their need to attend a specific school. Requests may

not be considered if long-term medical issues with mobility issues are cited, for example, and you have not applied to your closest school. Please note that the following are unlikely to be considered grounds for exceptional medical/social needs:

- speech & language delay
- child is awaiting an Education, Health and Care Plan (EHCP)
- asthma, diabetes, eczema or allergies
- car/travel sickness
- the need for a child to stay in friendship groups
- family attending the same school
- child care arrangement; and/or
- short term mobility issues.

If you feel that one of these examples should be considered, you will need to prove how this has a significant impact on your child and why only the Academy can meet your child's exceptional need. The application under this criterion will be reviewed by the Headteacher and SENCO at the Academy.
