The purpose of this booklet is to provide information to new students and their Parents/Carers. If there are any questions that are not answered, please do not hesitate to contact the Academy.

We are committed to providing a quality educational experience in a caring environment.

Message from our Headteacher – Ms White

I would like to formally introduce myself to you as the Headteacher of The E-ACT Parker Academy.

Every student has access to a fully inclusive and appropriately challenging curriculum, which is taught by highly qualified and outstanding teachers. We expect all students to strive for excellence in their academic studies and that they will challenge themselves to extend their knowledge and understanding. High aspirations for all students will allow them to flourish as life-long learners and we welcome your support in challenging our young people to strive for personal excellence in all they do. **WORK HARD**

At the heart of my personal values is respect. I expect all students to be respectful towards all staff and their peers, allowing outstanding learning to take place. Students who fall below our expectations will be challenged and supported in developing themselves as a committed and successful student. **STAY HUMBLE**

Our staff demand the highest standards from each and every student; ensuring they are punctual, smartly dressed, polite and conscientious learners. The academy community challenges every student to aspire for academic excellence and we provide a sixth form provision which allows access to Russell Group universities. **DREAM BIG**

Personally, I am incredibly honoured to have been asked to lead these young people and our learning community on a rapid journey forward with E-ACT. We will work closely with parents and carers to allow our students to excel in all aspects of their life.

We look forward to working in partnership with you in The Parker community to improve the life chances of our young people. Our New Intake Evening on Wednesday 19th July at 6pm will be a wonderful opportunity for you to meet with key members of the team.

Ms Andrea White
Headteacher

Meet the Team

Senior Leadership Team

Ms Andrea White	Headteacher
Mr Ben Jones	Senior Assistant Headteacher – Outcomes & Pupil Premium.
Mrs Emma Butler	Senior Assistant Headteacher – Student standards & Inclusion.
Dr Maria Kasandrinou	Assistant Headteacher – Quality of Education.
Mr Harry Barrett	Assistant Headteacher – Safeguarding, Designated Safeguarding Lead/Designated Teacher for Looked After Children.
Mr Jack Main	Assistant Headteacher – Pastoral.
Miss Maureen Boneham	Assistant Headteacher – Data & Timetable.
Mr Pat Mackie	Assistant Headteacher – Head of Sixth Form.

Executive Leadership

Mrs Jaqueline Dempster	Careers & Character of Education.
Miss Hollie Tomlinson	Staff Development (Early Careers Teachers).

Key Stage 3 Leads

Miss Emma Smith	Head of Year 7.
Mr Dylan Thomas	Assistant Head of Year 7 (SLT Link Teacher Mrs Emma Butler).
Mrs Emma Butler	SENDSCO.
Miss Lauren Fenables	Deputy SENDSCO.
Mr Rob Flint	Lead Teacher at Parker Plus.
Mr Tom Kendall	Second Lead Teacher at Parker Plus.
Mr Harry Barrett	Safeguarding (Designated Safeguarding Teacher).
Mrs Louise Townsend	Safeguarding (First Aid; Trip Lead & Visits; Wellbeing).
Mrs Tracy Morris	Deputy Designated Safeguarding Lead.
Ms Nicola Munding	Deputy Designated Safeguarding Lead – Inclusion.

Heads of Faculty

Head of English	Mr Brandon frank. (SLT Link Teacher- Dr Maria Kasandrinou)
Head of Mathematics	Miss Emily Owen. (SLT link Teacher – Miss Maureen Boneham).
Head of Humanities	Mrs Jaqueline Dempster & SLT Link Teacher.
Head of MFL	Mrs Julia Wigley (SLT Link Teacher - Mr Ben Jones).
Head of Science	Mr Stephen Parsons (SLT Link Teacher - Mr Pat Mackie).
Head of Creative Arts	Miss Hollie Tomlinson & SLT Link Teacher.
Head of Technology	Mrs Sital Patel (SLT Link Teacher - Mr Ben Jones).

Our Ethos and Values

Our mission is to give all of our students an outstanding education which enables them to explore, think, discover, create and achieve and so realise their full potential. Our students are to thrive at The Parker, developing respect, resilience and a lifelong love of learning, so equipping them for their future.

Four Golden Rules

- Be Respectful
- Re Reflective
- Be Purposeful
- Be Professional

Respect

- Show humility in your interactions
- Be an active listener in conversations
- Accept other people's point of view and provide a reasoned point if you disagree
- Understand that everyone is entitled to be unique
- Respect our environment

Reflect

- How can I improve my performance in the classroom?

The Parker

E-ACT ACADEMY

- What targets should I be setting myself?
- Am I behaving in a manner which is positive?
- Are my aspirations challenging enough?

Purposeful

- Work hard in lessons
- Challenge your own learning
- Complete all homework that is set with a positive mind-set
- Attempt all tasks in lessons and ask for support if needed

Professional

- Wear uniform with pride
- Arrive to school and to lessons on time
- Move around our Academy safely and calmly
- Have the correct equipment for your lessons

Our Curriculum

All subjects continue to work on developing the curriculum design in their own disciplines, but with many aspects in common. All subjects have 'Intent Statements', which explain two things: firstly, why that subject's powerful knowledge can have such a positive impact upon a young person and truly help them to 'Dream Big'; secondly, the choices of knowledge and the sequence in which they are taught so as to best achieve the positive impact.

Homework

Sparx Maths

Independent study, or Homework as it is traditionally known as, at The E-ACT Parker Academy is considered part of a student's school day. It is also an essential skill for the future as many careers require us to continue learning as part of our professional development.

Students will be set work to complete independently at home, which serves the following purposes:

1. To reinforce the ideas and concepts that have been introduced during lessons.
2. To research any new concepts prior to learning them in class to 'front load' learning.
3. To encourage students to extend their learning further and apply it to different contexts.

The E-ACT Parker Academy uses Satchel One (Show My Homework), which allows our students and parents/carers to view the details of the work required to complete at home, as well as the related deadlines. Students will also use other on-line learning platforms such as Sparx (Maths and Reading) and Vocab Express (Modern Foreign Languages).

Please contact your child's Head of Year if you have any issues with independent study outside of the classroom/school hours.

Monitoring Progress

All student progress is monitored regularly and shared with students and parents/carers. In order to do this, there are regular assessments (component: mini assessments; composite: end of unit assessment) in all subjects. Each term you will be able to access a report of your child's progress online (details to follow) and you will have one Progress meeting a year, where you can meet your child's teachers face-to-face to discuss their progress. If you have any questions between these times, you can also email the subject teacher.

Rewards:

Students who meet our Four Golden Rules in lessons will be rewarded with Parker Points. Students who produce work at a high standard will be rewarded with a **Golden Ticket** – these also link into further awards. Parker Points contribute to Inter Form competitions and to messages home, further awards and prizes. Parker Points are also given to students who perform acts of kindness and community consideration. Parents/Carers are informed of their child's Parker Points online (details to follow).

Sanctions:

Students who choose not to behave professionally in lessons will receive a verbal warning (C1). If a student chooses to ignore this warning a second consequence (C2) will be given. If

a student continues to ignore these warnings, a third consequence (C3) will be given. This will require the student to attend a 10-minute detention with the staff member.

Further sanctions can be given to a student who repeatedly receives warnings resulting in them being refocused to the Head of Faculty and also receiving extended detentions.

Sanctions will also be given for lateness, inappropriate uniform, lack of equipment, failure to complete homework and inappropriate behaviour around the Academy.

You, as parents or carers, will be kept informed about repeated sanctions regarding inappropriate behaviour so that you can take action/support the academy, to encourage your child to make the correct decisions around their behaviour.

School Uniform

- Black blazer with Parker Academy logo (Mandatory Logo Item)
- Grey Jumper with Parker Academy Logo (Not a Mandatory Item)
- Clip on tie in Parker Academy colour with Academy logo (Mandatory Logo Item). (Please note, student leaders, such as JLT members, will wear a black tie, which will be supplied by the academy to acknowledge their leadership and commitment to the academy).
- White shirt/white blouse – with top button for tie
- Black tailored trousers with zip and button (**No jeans, leggings or casual trousers**) or Mid Knee length with or without the academy logo. **No lycra skirts are permitted.**
- Black leather professional looking shoes. **No trainers or trainer style shoes. No heels.** Black leather ankle boots are permitted in the winter months; however, these must be a professional style, i.e. **no fur lining/Ugg style boots/DMs/trainer style boots.**
- Black Tights or White or Black Socks.
- Coat: to ensure the student is dry and warm when walking to and from school and between the sites and buildings. Coats must not be worn inside the school building.
- **No 'hoodies' or jumpers** to be worn inside the school building too, however, Purple PE 'hoodies' (see below) can be worn at all times on PE days.

Sports Uniform

- Purple sports polo top with the academy logo. (Mandatory Logo Item)

- Purple hoodie with the academy logo or Reversible sports top in academy colours and with the academy logo or Sports fleece top in academy colours and with the academy logo. (Mandatory Logo Item)
 - Plain black jogging bottoms, cycling shorts (knee length), sports shorts or leggings with the Academy logo. (Mandatory Logo Item). **No sports brands logos permitted.**
 - Pair of rugby/football/hockey socks in the academy colours, i.e. black and purple with the academy logo (Mandatory Logo Item) or a pair of white sports socks.
 - Sports trainers/running shoes with non-marking sole.
 - Football/Rugby boots for outdoor use.
-
- Please note that pupils are permitted to wear their PE uniform on days when they are timetabled to do PE. If they choose not to wear it to school they must bring their PE Kit and they will be given the opportunity to change into it, before and after the PE lesson. PE kit must be brought to change into for any extra-curricular clubs. Pupils are not permitted to wear their PE kit on the days they have clubs, unless it is a day when they would have a PE lesson.

Important Additional Information

- Subtle makeup and natural hair colours only
- No shaven head
- Nose studs are not permitted. A clear retainer must be worn if a student has a nose piercing.
- Ear piercings to be studs only, no hooped earrings

Basic Equipment

Every student is expected to provide the following basic items of equipment for every lesson:

Pencil Case	Pens (Black and green)	Pencil
Ruler	Eraser	Coloured pencils
Glue stick	Calculator	

In order to help our students learn as effectively as possible we also ask that they bring the following equipment to appropriate lessons:

- Maths: Calculator, Protractor, Ruler, A pair of compasses.
- Food Technology Ingredients: Ingredients for the Food Technology lessons will be provided by The Parker Academy. Students will be required to bring in a container to carry the food items home.
- PE: PE kit (see uniform information)

Top Tips for our Students

- Keep your books and equipment safe
- Know what lessons you have each day and plan ahead for what you will need to bring to the Academy
- Know what equipment is needed for each lesson
- Pack your bag in the evening ready for the next day

Additional Information (Continued)

Lockers

There are lockers located in both the Discovery and Randolph buildings. They are free to use for our year 7 students. To take advantage of this opportunity:

- Students need to check that the locker has a suitable locking / latch mechanism
- Bring in their own lock which can be used to secure the locker.

Food at The Parker / Paddock Canteen

Students in Year 7 will have their food in The Paddock canteen which is situated in the Randolph Building. The canteen offers a selection of healthy hot and cold food during morning and afternoon breaks. As our school is cashless we are asking parents to only use our e-payment method to pay for **dinner money**. This can be done online using a very secure website called **ParentPay**. (More information can be found on the ParentPay section of this booklet)

Students who wish to bring in a packed lunch can do so and can either eat in The Paddock or on the benches situated around the Randolph building.

The Parker Academy is a nut free school.

Biometric / Fingerprint Scanning

Students (and staff) use a 'fingerprint' identifying system when they wish to buy food from the canteen. When a student wants to buy food or drink at morning break or lunch-time they simply go to the server with their food, place their finger onto the pad and the till will show them what food they have, how much it has cost and how much they have left in their account.

Students will have their fingerprint scan taken during their transition days or when they commence in Year 7 after the Summer break.

Cycling to School

If it is convenient for your child to cycle to school, there are bike racks at both the Discovery and Randolph sites. Students need to:

- Bring in an appropriate cycle lock to secure their bike to the rack.
- Wear appropriate safety clothing – helmet.
- Ensure that their bike is equipped with lights – especially during Autumn, Winter months.

We ask any cyclists to be considerate to members of the public both to and from school and to have an awareness of the traffic and any other hazards around them.

Parker Timings of the Day

8.30am	Arrive at school to prepare for the day ahead.
8.35 – 8.40 am	Registration – Tutor group
8.40 – 9.10am	Personal Development Lesson – Tutor
9.10 – 10.10 am	Period 1
10.10 – 11.10 am	Period 2
11.10 – 11.30 am	Break
11.30 – 12.30 pm	Period 3
12.30 – 1.20 pm	Period 4
1.20 – 2.00 pm	Lunch
2.00 – 3.00pm	Period 5
3.00 – 4.00pm	Extra Curricular Activities, including Wellbeing Wednesday.

Term Dates 2023/2024

The Academy calendar will be included on our website and social media:

Website: theparkeracademy.e-act.org.uk

Twitter: @TheParkerEACT

Instagram: parkereactacademy

Term Starts	Term Ends	Professional Development Days
Year 7 – Tuesday 5th September All Years – Tuesday 5 th September	Friday 20th October	Monday 4 th September
Monday 30 th October	Wednesday 20 th December	Monday 6 th November
Monday 8 th January 2024	Friday 16 th February	Thursday 4 th January Friday 5 th January
Tuesday 27 th February	Friday 29 th March	Monday 26 th February
Monday 15 th April	Friday 24 th May	
Monday 3 rd June	Tuesday 23 rd July	

Coach Transport to The Parker Academy

Students who have been allocated a place at The E-ACT Parker Academy and qualify for home to school transport will be issued with a bus pass at the start of the academic year.

School Transport is provided to the following villages. The route allocations shown are provisional and as a consequence subject to change if and when required.

Barby	Rectory Lane
Braunston	Church Green/Village Hall Primary School Bottom of Spinney Hill
Kilsby	Ashby Road
Onley Park	
Staverton	
Welton	Ashby Road Churchill Road

Students must carry their bus pass with them to allow travel. Should your child lose or damage their bus pass there is a replacement charge of £15.00 to Northamptonshire County Council.

Any queries, please contact the Administration Office.

Telephone 01327 705816.

Email TheParkerEnquiries@E-ACT.org.uk

ParentPay

Once your child has started at The E-ACT Parker Academy in September 2023, ParentPay letters will be sent out to Parents/Carers. (please note this may well take a couple of weeks for them to arrive to you via the post).

As the school is cashless we are asking parents to only use our e-payment method to pay for **dinner money, trips, music lessons etc.** This can be done online using a very secure website called **ParentPay**.

When a student wants to buy food or drink at breakfast, break or lunch-time they simply go to the server with their food, place their finger onto the pad and the till will show them what food they have, how much it has cost and how much they have left in their account.

(Cash revaluation terminals located in the Academy are set to accept £20 - £10 - £5 - £2 - £1 – 50p – 20p – 10p coins. (1p – 2p – 5p coins, cannot be used)).

How is the system used to obtain a school meal?

The system works very much like a bank debit card; however, no cards are used, it's the finger that acts like the card for the account. To place money into the account parents can use ParentPay or a student can bring cash. These are placed in secure machines (revaluation stations) located around the Academy and the amount of cash is debited to the student's account. There is no limit to the amount of money that can be put into an account or held in it.

How will my son/daughter be able to check what their current cash balance is on the system?

By using the revaluation station. They place their finger on the reader to display the current cash balance. Also, a balance will be shown at the till when food is bought.

If we pay for a set number of school meals, can it be spent in one day?

No, a daily spend limit of £6.00 is set for all students and no food above that limit can be bought. On request, an individual student limit of your choice could be set, to include breakfast, lunch and break time snacks.

What if my son/daughter does not hold a sufficient cash balance one day to pay for a meal?

As always, no student is refused a meal because they have not brought their money to Academy with them. The Academy will allow for the student to borrow money for one day. However, just as before, they would be expected to bring some money with them the next day to repay the loan and re-credit the system by using the revaluation station.

This all sounds very good, but what about my son/daughter who is entitled to a 'free school meal'?

The system works exactly the same for all students whether they pay or have a free school meal. The amount allocated for the free school meal is entered onto the system automatically on a daily basis and will only be accessible at lunch break.

Will we be able to have any information on how the system is being used?

Reports can be obtained from the system giving comprehensive information on all aspects of use for each individual student as well as each day's service.

What happens next?

Students will be able to start putting money onto their accounts once they have been registered. You will therefore need to ensure your son/daughter brings cash into Academy on that day to start their account balance, and thereafter students will need to top up their accounts regularly. Students will be registered on the system on 3rd September.

Data Handling

Certain data will be held on the system to enable accurate operation. This will include your child's name, class, photo, account balance and meal entitlement. This data will be handled under the guidelines of the Data Protection Act and only used by parties directly involved with the implementation of the system.

Mobile Phones and Electronic Devices

At the request of parents/carers, the Academy allows students to bring a mobile phone to school. They may be used during break and lunchtimes. **Students who feel ill must not use their phone to contact home and will not be sent home.** They must go to the Academy office and staff will call home if necessary. Phones used inappropriately will be confiscated and parents/carers will be asked to collect these from the office. **Parents/carers are asked to support this rule by not phoning their son/daughter during the Academy day.**

Around School

To help to maintain a pleasant and safe environment for everyone, the following rules are in place:

- Smoking on school premises or in school uniform is not permitted at any time. This includes electronic cigarettes.
- For safety reasons, certain areas of school are deemed to be out of bounds. At break and lunch times, students are expected to use only designated areas.
- Students will remain on school grounds throughout the school day.

Breakfast Club

We offer a free breakfast club in the Learning Resource Centre (LRC) each morning. This is open to students from 8.00am providing them with a place to enjoy a healthy breakfast, enabling them to start the day in a positive way.

Extra-Curricular Clubs

At The E-ACT Parker Academy learning is developed through many varied experiences. The academy offers a range of extra-curricular activities to develop students both as learners and citizens. We encourage all our students to attend a variety of extra clubs/activities, particularly on Wednesday which we have called 'Wellbeing Wednesday'. Our offering of extra-curricular clubs often includes:

Sports: for example, Sports Leaders, Basketball, Football, Netball, Rugby, Hockey, Athletics

Drama/ Musical Theatre

Debate Club

Languages Club

Film Club

Board game club

More information can be found on the school website.

Attendance Information

Students should be in school by 8.30am each day. Registration is at 8.35am.

Absence

If your child is absent from the Academy, please telephone 01327 705816 Option 1, before 8.30am. On return to school your child should bring a note to student reception. Remember if you do not contact us, we will automatically text you to say that your child is absent.

What does good attendance mean?

96-100% attendance, when a student arrives on time and attends every lesson every day.

Why good attendance matters:

- Understand lessons better and achieve better results.
- More choices of careers.
- Less likely to be drawn into criminal activity.

What does unsatisfactory attendance mean?

Attending 90% of time or less. This will have a serious effect on learning. One day's absence every two weeks will give 90% attendance. 90% attendance over a whole year is equivalent to 4 whole weeks of learning missed! Attendance below 90% can lead to GCSE grades being on average one grade below the student's potential.

Students whose attendance is unsatisfactory:

- Fall behind in their work.
- Don't understand the lessons as well achieve less.
- Struggle to find employment.
- Find it difficult to maintain friendship groups.

Parents whose children's attendance continues to be unsatisfactory can face prosecution and be fined up to £2,500 plus legal costs and could receive a custodial sentence of up to 3 months.

When can I keep my child away from the Academy?

The Academy can only authorise an absence in the following circumstances;

- Genuine illness—medical evidence required after 3 days of absence.
- A family crisis (i.e. death of a family member)

Please note that a letter from parent or carer does not automatically authorise an absence.

The following reasons for being absent from the Academy **are not acceptable:**

- Shopping
- Oversleeping
- Having a birthday
- Looking after younger siblings
- Staying at home for deliveries or workmen

What about holidays?

Parents are encouraged **NOT TO TAKE HOLIDAYS** during term time. Authorisation of a holiday absence, during Academy time, will not be granted. The Academy will liaise with the Local Authority for any absences which are 5 days or more.

Medical/Dental Appointments:

As far as possible these should be made outside of Academy hours. If a student attends a medical appointment in Academy time they should sign in or out at student reception, with a note or appointment card which confirms the appointment. The appropriate code can then be registered.

If a student arrives late to the Academy: It is important that students arrive on time to the Academy. **Registration begins at 8:35am.** If students miss registration they miss important information.

Lateness causes disruption to lessons.

Any student **arriving late must sign in at student reception**, stating clearly the reason why.

Parents will be contacted if students are continually late to the Academy and after school detentions will be issued.

Safeguarding

The E-ACT Parker Academy is an inclusive community where every student is valued.

We exist to promote and develop our young people, recognising their achievements and celebrating their individuality. We believe that diversity enriches us and supports the learning of all.

- The E-ACT Parker Academy has a duty of care to keep all students safe.
- All students can access support and guidance through Student Support and Welfare.
- The E-ACT Parker Academy works in partnership with a range of external agencies and professionals for specialised support and guidance.
- E-safety is a high priority within the Parker Academy. Students have awareness raising sessions in PSHE tutor sessions. E-safety materials can also be accessed on the academy website.

Inappropriate Use of Mobile Phones

Students are strictly prohibited from using their mobile phones in an inappropriate manner while on school premises. This includes activities such as cyberbullying, sexting, accessing inappropriate content, or engaging in any form of harassment. We expect students to use their phones in a professional and responsible manner and respect the rights and well-being of others.

Photography and Social Media

It is vital that students understand the importance of respecting the privacy and dignity of their peers. Taking photos or videos of others without their consent is strictly prohibited. Furthermore, sharing or posting such content on social media platforms can have serious consequences and may lead to disciplinary action. We encourage parents to have open conversations with their children about responsible digital behaviour and the potential consequences of inappropriate use of mobile phones.

Phones in Lessons

To maintain a focused learning environment, we have a policy in place that prohibits students from having their mobile phones out during lessons unless instructed otherwise by the teacher. This policy helps minimize distractions and allows students to fully engage in their learning experiences. We kindly request your support in reinforcing this rule and encouraging your child to comply with it.

We understand that mobile phones can be valuable tools for communication and safety. Therefore, we have established designated times and areas where students are allowed to use their phones, such as during break times or in designated areas outside of lesson times. By adhering to these guidelines, we aim to create a safe and respectful school environment that promotes academic excellence and responsible digital citizenship. We appreciate your cooperation in reinforcing these expectations with your child and supporting our efforts to provide a positive learning experience for all students.

Change of Contact Details: It is important that we are kept informed of any change of address, phone number or email address.

Please inform us in writing or contact Mrs Angela Hamilton on angela.hamilton@pkr.e-act.org.uk.

Illness During the Day: If your child is taken ill, we may need to contact you. Please inform us of any emergency contact numbers. For safeguarding purposes, please encourage your child to come to Reception if they are feeling unwell, rather than phoning yourself. We will liaise directly with you.

Medicines in the Academy: The Academy is not allowed to administer medicines, including paracetamol, without written consent. If, however, a student must take medicine prescribed by a doctor, please contact the school reception who will then provide the necessary guidance.

We also ask that students do not carry medication on their person, if a student needs to take pain killers such as paracetamol this needs to be stored in reception and parents/carers **MUST** complete and sign the relevant documentation to permit staff to administer the medication.

If you have any questions please contact Mrs Louise Townsend. Louise.townsend@pkr.e-act.org.uk.

Confidentiality:

All information required or given by parents/carers is treated in the strictest confidence and complies with GDPR. Please see our website for further information.

Data Sheets/Trip consents

We are excited to advise you that we are adopting a new online system named Admissions+ to collect the information that we previously gathered on paper admissions forms.

The system will greatly reduce the burden on you to provide information that is repetitive. For example, it will allow you to keep your or your child's emergency contact and medical information up to date whilst your child is at The Academy. It also puts you in control of this data so you'll always know what information is shared with us.

You don't need to do anything else until you receive an email invitation from us asking you to sign up for your Admission+ account. We will be using the email address that you provided to West Northamptonshire Admissions when applying for your child's school place, so please let us know if this has changed.

Once your child has started with us in September, you'll receive notifications whenever there is an electronic form to complete such as for trips and other consent forms. You can use your mobile phone, tablet or PC.

You/your child's information will only be visible by the relevant staff and will be managed in accordance with our privacy policies.

Please contact Mrs Woods if you require assistance. Allison. woods@pkr.e-act.org.uk.
